

Resolution in loving memory
of
Mr. Harold Gibson Sr.

Whereas, the Executive Staff and Board of the Peachtree Village International Film Festival extend our heartfelt love, sympathy, and deepest condolences to our Founder, Dr. H. Len Gibson, and the entire Gibson family. Please know that you remain continually in our thoughts and prayers during this time of bereavement.

Whereas, Mr. Harold Gibson produced a creative who has produced, directed, and shared meaningful stories with audiences around the world. Yet beyond every production, he was a man whose life told an even greater story.

Mr. Gibson now takes his place in the greatest production ever written. As a distinguished guest on this special set, he was preparing for the final scene of a masterpiece that was far more than a motion picture. It was a life beautifully lived. A production that created lasting friendships, expanded family, and captured moments of joy, love, sacrifice, grief, laughter, and countless treasured memories through the lens of life's camera.

On **Thursday, July 23, 2026**, the principals and supporting cast were called to the set. The lights were set, and Heaven's camera was already rolling. There was no need for rehearsal, for this would be the last earthly scene.

The Holy Spirit set the atmosphere. Quiet filled the room. Then the Lord simply said, "**Action.**"

Mr. Harold Gibson prepared himself as his spirit lovingly looked upon those he would leave behind. Love stood among the supporting cast. Healing stood beside him. Freedom, joy, and unspeakable peace each took their place.

As his earthly journey drew to a close, he looked beyond the veil and saw his mother and other beloved family members waiting with open arms to welcome him home. Upon his earthly departure and heavenly arrival, the Lord looked upon His faithful servant and declared,

“Cut. It’s a wrap!”

The final scene had been completed, and eternal life had begun.

“Therefore you now have sorrow; but I will see you again and your heart will rejoice, and your joy no one will take from you.”

John 16:22

Be it further resolved that a copy of this Resolution be presented to the Gibson family as a lasting expression of our love, respect, and sympathy, and that a copy be permanently filed among the official records of the Peachtree Village International Film Festival.

We offer our deepest sympathy and are reminded of the comforting words found in **2 Corinthians 1:3–4**:

“Praise be to the God and Father of our Lord Jesus Christ, the Father of compassion and the God of all comfort, who comforts us in all our troubles.”

May God’s unfailing love, peace, and strength sustain the Gibson family today and in the days to come, while the legacy of Mr. Harold Gibson continues to inspire generations through the lives he touched and the stories he helped tell.
